

## MEDSURG Nursing 1994 Subject Index

### AMSN

- From AMSN: The Constant Vision: Quality of Care, 348*
- From AMSN: New Perspectives for Clinical Practice, 82*
- From AMSN: New Visions for Nursing Research, 246*
- From AMSN: New Visions for Professional Development, 166*
- From AMSN: New Visions Through Political Action, 6*
- From AMSN: Thanksgiving and Christmas: Those Holidays We All Look Forward To, 432*

### Cardiovascular/Pulmonary Physiology

- Accurate Assessment of Ventilation and Oxygenation, 192
- Managing Post-Intubation Injuries, 192
- Medical Management of Pulmonary Emboli, 31
- Stroke and Heart Attack Prevention Education, 459

### Continuing Education

- Accurate Assessment of Ventilation and Oxygenation, 435
- Decision-Making for Primary Breast Cancer Treatment, 169
- Free Flap Breast Reconstruction, 9
- Maintaining Effective Pressure Ulcer Prevention Programs, 85
- Malignant Pleural Effusion, 353
- Treatment Options for Early Stage Breast Cancer, 249

### Ethics

- Nursing Ethics: Advance Directives: Two Years Later, 408*
- Nursing Ethics: Ethics from the Other Side of the Bed: A Daughter's Perspective, 316*
- Nursing Ethics: The Impaired Nurse, 139*
- Nursing Ethics: Stuck Between a Rock and a Hard Place, 491*
- Nursing Ethics: When Care Is Futile, 225*
- Research for Practice: Research and Quality Management Studies: Ethical Considerations, 149*

### Gerontology

- Identifying Fall Risk Factors in Preparation for Reducing the Use of Restraints, 25
- Maintaining Effective Pressure Ulcer Prevention Programs, 85
- Managing Delirious Older Adults in the Hospital, 181
- Responses of Older Adults to the Effects and Management of Diabetes Mellitus, 122

### Health Care Delivery

- Editorial: The Human Factor, 167*
- Editorial: A New Agenda, 7*
- Professional Development: The Health Care Marathon, 332*
- Professional Development: Hospital-Based Home Care: Delivering Success, 403*
- A Reformulation of the Meaning of Culture and Ethnicity for Nurses Delivering Care, 108
- Research for Practice: Academic/Practice Collaboration for Nursing Research, 230*

### Health Law, Policy, & Financing

- Health Care Law & Economics: Allowable Business Expenses, 62*
- Health Care Law & Economics: Medical Malpractice Reform as a Part of Health Care Reform, 417*
- Health Care Law & Economics: Taking the Big Leap: Starting Your Own Business (Part I), 234*
- Health Care Law & Economics: Taking the Big Leap: Starting Your Own Business (Part II), 326*
- Legislative Issues: Health Care Reform Deja Vu, 70*
- Legislative Issues: Health Care Reform and the 103rd Congress: The Final Chapter, 504*
- Legislative Issues: Nursing Weakened by Federal Education Program Consolidation, 323*
- Legislative Issues: Plotting the Major Health Care Reform Proposals, 146*

### Health Promotion & Disease Prevention

- Breast Self-Examination: How Nurses Can Influence Performance, 367

- The Human Genome Project: Implications for Nursing, 49
- Preventing Diabetic Foot Ulcers, 204
- Recognizing the Patient at Risk for Opportunistic Infections, 445
- Smoking: A Disease Prevention Issue, 286
- Stroke and Heart Attack Prevention Education, 459
- Treating and Preventing Kidney Stones, 389

### Infection Control

- The Cardiac Manifestations of Acquired Immune Deficiency Syndrome and Nursing Implications, 42
- Recognizing the Patient at Risk for Opportunistic Infections, 445

### Informatics

- Management, Informatics, & Technologies: Contemporary Management Techniques, 484*
- Nursing Informatics: Nursing Informatics Fellowship, 73*
- Nursing Informatics: Nursing Language, Nursing Documentation, Nursing Databases, and You, 144*
- Nursing Informatics: Putting the Nursing Process Back into Charting, 232*

### Medical Nursing

- Administering, Documenting, and Tracking Blood Products and Volume Expanders, 269
- The Cardiac Manifestations of Acquired Immune Deficiency Syndrome and Nursing Implications, 42
- Decision-Making for Primary Breast Cancer Treatment, 169
- A Description of Medical Nursing, 261
- Maintaining Effective Pressure Ulcer Prevention Programs, 85
- Malignant Pleural Effusion, 353
- Managing Delirious Older Adults in the Hospital, 181
- Medical Management of Pulmonary Emboli, 31
- Nursing Pharmacology: Enoxaparin and a New Look at Clot Prevention, 66*
- Nursing Pharmacology: Understanding Management of Hyperlipidemia, 319*
- Nursing Pharmacology: What Nurses Don't Know About Managing NIDDM, 152*
- Patient Management Consultation: Assessing and Treating Depressed, Medically Ill Patients, 400*
- Peripheral Stem Cell Transplantation, 36
- Preventing Diabetic Foot Ulcers, 204
- Recognizing the Patient at Risk for Opportunistic Infections, 445
- Responses of Older Adults to the Effects and Management of Diabetes Mellitus, 122
- The Self-Defense Mechanism of Fever, 373
- Stroke and Heart Attack Prevention Education, 459
- The Syndrome of Primary Aldosteronism: A Case Study, 277
- Treating and Preventing Kidney Stones, 389
- Treatment Options for Early Stage Breast Cancer, 249

### Nutrition Support/Intravenous Therapy

- Administering, Documenting, and Tracking Blood Products and Volume Expanders, 269
- Fatigue and Nutrition, 475
- Patient Management Consultation: Promoting Nutritional Health in the HIV-Infected Client with Stomatitis, 228*
- Peripheral Stem Cell Transplantation, 36

### Oncology Nursing

- Fatigue and Nutrition, 475
- Free Flap Breast Reconstruction, 9
- Malignant Pleural Effusion, 353
- Nursing Pharmacology: Zofran: First of a New Class of Antiemetics, 218*
- Peripheral Stem Cell Transplantation, 36
- Treatment Options for Early Stage Breast Cancer, 249

### Pain

- Acute Pain Management in Adults: Operative Procedures — Quick Reference Guide for Clinicians, 99
- Assessment and Management of Pain in the Elderly, 293
- Managing Pain in a Diverse Medical-Surgical Patient Population, 469
- The Nurse's Role in Pain Relief, 94
- Reflex Sympathetic Dystrophy Syndrome: A Longitudinal Study, 378

## National Association of Orthopaedic Nurses

**Increase your knowledge and expertise in the specialty of orthopaedic nursing by treating yourself and your staff to current orthopaedic resources from NAON.**

### **Publications:**

Core Curriculum for Orthopaedic Nurses  
Orthopaedic Nursing Practice Guidelines  
An Introduction to Orthopaedic Nursing:  
An Orientation Module  
Orthopaedic Nursing Journal  
Telephone Triage

### **Videos:**

Core Curriculum for Orthopaedic Nursing  
Patient Education and Staff Education for Total Hip Replacement  
Patient Education and Staff Education for Total Knee Replacement

Since 1980, NAON has continued its growth in the development of products and services to the orthopaedic community.

### **Coming Soon . . . . .**

Operating Room Orientation Manual  
Patient Education Spinal Surgery Videos  
Lower Extremity Monograph  
Orthopaedic Assessment  
Certification Audio Tapes  
Elder Mobility Home Study Module

For further information about NAON or NAON Productions, mail or fax your name and address to NAON, Box 56/East Holly Avenue, Pitman, NJ 08071-0056. FAX: 609-589-7463 or call 609-256-2310. We will send you a brochure packed with current orthopaedic resources complete with brief descriptions of each item and ordering information.
